President's Report

Well things have been a little subdued this month after the great result at QBT and the euphoria of that occasion.

We are celebrating the QBT results - you can read more about this celebration event later in this newsletter.

The Premier 1 Mens hockey team is vying to be in contention for the top four play-offs. The competition is so close that each fixture from here on out until the end of the season will be great games to watch so come along and support the team.

All our hockey teams are into the second round of games. The results so far are very good and remember this is the time in the season where players need to put extra effort into their games.

There are a number of events coming up over the next 3 months; we would appreciate your attendance and assistance.

- Central Districts are challenging for the NZISA - T & G Shield in September.
- Planning is underway for the AISC GAM 20/20 cricket in October.
- The club end of year prizegiving events for juniors and seniors as well as for our junior cricket players who won the championship.

There has been positive feedback regarding the idea of a Premier women's hockey team for the 2010 season. We require players to put forward their names as soon as possible. Discuss this with your friends and let's try and get this going next year.

Saluting the past

The first clubs women's team in any sport club was a netball team formed in 1965. The team did very well but lacked support player numbers and so the team disbanded a few seasons later.

At that time, it was a very significant step, liberation for Indian girls in the community. Some members disapproved at the development as saw it as decadence. Nowadays it has become acceptable and is a matter of an individuals' right. If you know member of these teams we would like you to email or contact the club with their name and contact number. Further if there are any photo's of the team/s the club would like to use them for the jubilee booklet.

Thanks to those netball players, who prepared the foundation for future generation of Indian women.

Membership & Participation Portfolio

Hi Everyone,

Well who would have thought that we are half way through the season already. The juniors are on holidays for two weeks, and we are in the last months of winter.

There have been a number of social events within the community of late and I know a number of the members are all socialized out.

The club has arranged an informal Post QBT celebration get together on the 18th July 2009 at the Balmoral Bowling club see flyer attached. We would like as many of our members to attend and celebrate this event with the winning teams.

That's all for now folks

Jay Dheda.

Junior member contributions

Finally my mum and dad let me go to Wellington by myself. It was good fun there. I was glad to be without my brother. On day 1, I went to Te Papa (museum). It was cool. Day 2, I did some visiting so I could see some family. Day 3, I went 10 pin bowling and time zone and back home. I missed hockey practice. I loved it so much.

My Birthday

On Saturday the 6/06/09 it was my birthday and that day we also played hockey at Kings at 10:30 but we had to be there at 10:00. When I got there everyone said "happy birthday" to me when they saw me. After the game my mum gave everyone chocolate and peanut brownies for us to eat. While we were eating our chocolate and peanut brownies everyone sang happy birthday to me. I was so EMBARRASSED because even the parents and players from the other team were looking. For my birthday present I got a bike and clothes and other things, and I sure did enjoy my birthday.

My Bike

Hi my name is Pritika and I am going to tell you about my bike. On Sunday I rode my bike for the first time with only one training wheel and I was a little bit scared. I rode my bike without the training wheel touching the ground but that was just for a little while. I also went riding with my sister Rasmita on her new bike.

To everyone, good luck for the next round of club games starting on the 26th July.
